# Sample development agreement

## 1. Subject
The Contractor develops a [website / bot / app] per the agreed brief (Annex 1); the Client accepts and pays for the work.

## 2. Stages and timeline
Work is split into dated stages: [stage 1 — date], [stage 2 — date]. Dates move if the Client delays materials or answers.

## 3. Price and payment
Price: [amount, currency]. Paid per stage: [50]% before start, the rest on completion of each stage.

## 4. Revisions and acceptance
The price includes [2] rounds of revisions per stage. A stage is accepted if no comments arrive within [5] business days.

## 5. Ownership
After full payment, rights to the result transfer to the Client, except third-party libraries and fonts under their own licenses.

## 6. Confidentiality
Neither party discloses the other’s materials or data to third parties.

## 7. Liability and termination
Either party may terminate with [10] days’ written notice; completed stages are paid.

## 8. Support
Post-launch support is agreed separately, from [$50] per month.
